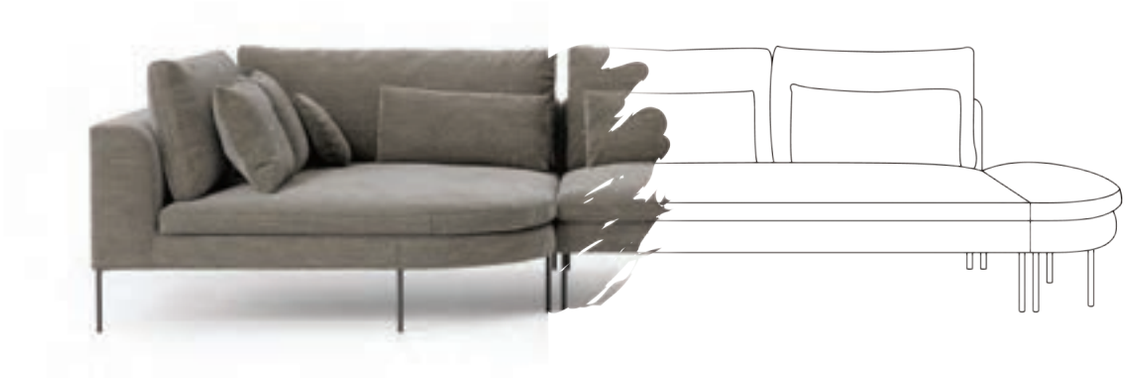
Kiedy forma spotyka przestrzeń

Kolekcja LOOK Gala Collezione to kultowa seria z dumą prezentowana przez markę już od 2020 roku, która właśnie zyskała świeże oblicze. Oprócz minimalistycznych, geometrycznych form wprowadziliśmy nowe, organiczne bryły o miękkich liniach i obłych kształtach, które dodają całości lekkości i przytulności.

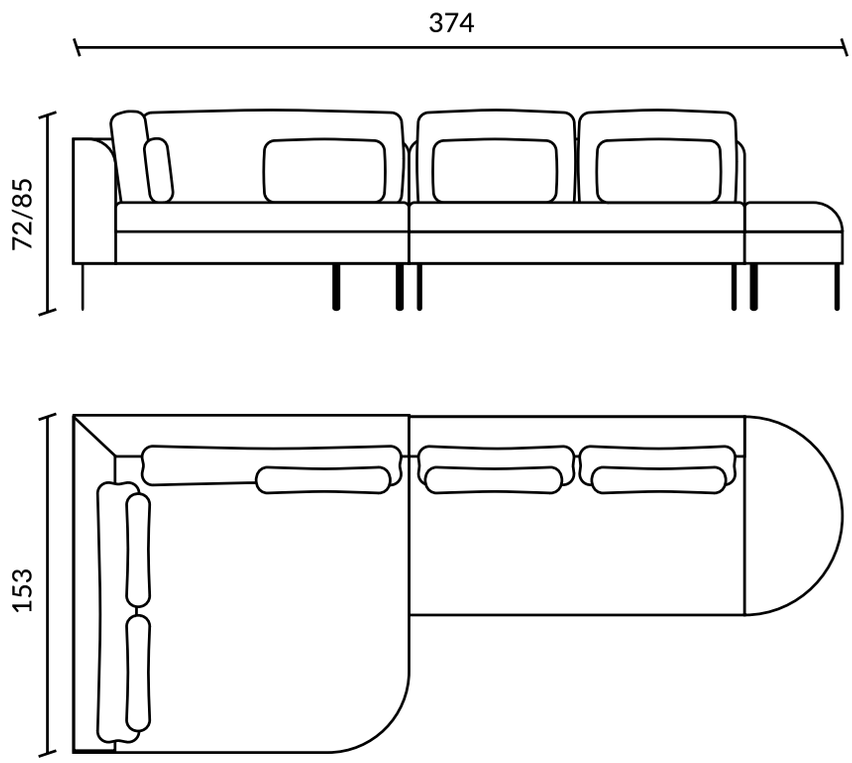
LOOK to system modułowy, który umożliwia komponowanie układów na miarę każdej przestrzeni – od kompaktowych sof do gabinetu po przestronne narożniki rodzinne. Kluczowym wyróżnikiem kolekcji są wysokie, 20-centymetrowe nogi, które optycznie wysmuklają bryłę, wpuszczają światło pod mebel i ułatwiają drogę inteligentnym robotom domowym oraz cyrkulację ciepła przy ogrzewaniu podłogowym. Dopracowane detale, jak subtelne przeszycia i poduchy podkreślają komfort użytkowania i ponadczasową estetykę.



LOOK to elastyczna kolekcja

Dzięki nieograniczonym możliwościom konfiguracji i łatwym w obsłudze, niewidocznym łącznikom, wszystkie moduły wyglądają perfekcyjnie z każdej strony.

Do wyboru są różne głębokości i szerokości siedzisk, opcje relaksu, a także funkcja okazjonalnego spania.



To kolekcja, która daje pełną wolność aranżacyjną i pewność, że salon będzie tak samo stylowy, jak wygodny.

LOOK Gala Collezione to modułowa kolekcja sof i narożników łącząca nowoczesny minimalizm z miękką przytulnością nowych, obłych brył. Eleganckie detale, lekkie 20-cm nogi i nieograniczone możliwości konfiguracji czynią z niego ikonę nowoczesnego salonu.
Dzięki tej kolekcji stworzysz wnętrza pełne harmonii i komfortu.
